EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Gerald Smith on April 03, 2006

The application has been amended as follows:

Cancel claims 1-15 directed to a non-elected invention without prejudice.

The following is an examiner's statement of reasons for allowance: The claimed apparatus for forming a shaped meat product from a meat component of given peripheral and volumetric shape is believed to be in condition for allowance. The claimed invention is directed to a female die assembly with an outward side and an inward side with one or more cavities having inwardly disposed peripheral wall portions and having slots defining said meat product shape with said peripheral wall portions. The first one of said slots being configured for receiving a meat cutting blade from said outward side. The second ones of said slots being configured for receiving a meat cutting blade at said inward side. A male die assembly with an outward side and an inward side, having slot defining said meat product shape. The third ones of said slots being configured for receiving a meat cutting blade from said outward side and corresponding with said second one of said slots. The forth ones of said slots being configured for receiving a meat cutting blade from said inward side and corresponding
